PATROL DIVISION HIGHLIGHTS

Patrol Division responded to the 3000 block of Valk on an assault where a suspect tried to run the victim down with his car. Officers arrived and met with the complainant who stated he was in his house and heard what sounded like a fight going on outside in his front yard involving multiple subjects. A vehicle was parked in the driveway and when the complaintant came out to see who was involved in the fight. The driver of the vehicle exited the car, ran at the complainant and tackled him knocking them to the ground. The complainant did not know why this was happening or who was fighting but believes it was because he was trying to break up the fight. The complainant defended himself and started throwing punches at the driver. The driver put the vehicle into drive and drove forward in an attempt to hit the complainant with the vehicle. The complainant jumped out of the way and was grazed by the vehicle. The vehicle crashed into the front porch of the home and the front siding. The vehicle was hung up on the cement steps of the front porch and would not back up at first. The vehicle broke free and continued backward where it side swiped a tree on the front lawn. The front passenger side door had been open and was bent forward from striking the tree. The driver then exited the vehicle and fled on foot. The officers conducted an investigation and were able to identify all the subjects involved including the driver. The report has been sent to the Muskegon Prosecutor's Office for charges on aggravated assault.

Patrol Division responded to the 1200 block of E Broadway on a vehicle that was on fire. The vehicle fire was investigated by both the officer and Norton Shores Fire Department. Based on the way the car was set on fire and what witnesses stated it was determined that the vehicle was intentionally set and it was determined to be arson. The fire caused severe damage to the vehicle. The suspect was identified and later apprehended. The suspect confessed to pouring gas on the victim's car then lighting it on fire. The reason was that he was upset over a bet he had made and lost. He was intoxicated, got mad with the victim and set her car on fire. The suspect was arrested for arson and lodged at the Muskegon County Jail.

Patrol Division responded to the 1100 Block of E Sherman on a larceny from a vehicle complaint. The victim parked the car on the east side of the building. The victim got out of her car and went into a business. The victim stated she had just come from another store where she bought groceries. The victim had left her car doors unlocked. When she got back to the car, the victim's groceries were now gone. All of the items were food perishables. The officer spoke with store manager and she showed the officer surveillance video of the incident. It showed a female was seen getting out of the truck and enter into the victim's car and then go back into the truck. The camera was so far away from the vehicles that no description could be obtained but the store manager

recognized the suspect and was able to give a name to the officer. The investigation remains open and the officer is following up on trying to verify the suspect's identity to seek charges.

Patrol Division responded to eight complaints that involved mental illness or suicidal subjects. The patrol division is starting to work with HealthWest and implementing a new program where instead of the officers referring the subject to a hospital or transporting the subject to hospital that on call workers with mental health backgrounds will come to where the officers are at and assess the person for further care or give options that would help the officer and the family that is involved.

Patrol Division was dispatched to a breaking and entering of a vehicle report at an auto dealership located at 3600 block of Airline Rd. The front passenger window had been broken out, and a middle driver side window had been broken out. The radio/DVD combo had been taken out of the dash, and a speaker box had also been taken. Over $5,800 dollars of damage and property was stolen from the vehicle. The investigation is still on going and the officer is trying to develop a suspect.

Total cruiser mileage for the month of April is 26,252.
