PATROL DIVISION HIGHLIGHTS

Patrol Division responded to a business that had been broken into overnight. The officer responded and found that the business had been broken into. It was discovered that both money, and a safe were now missing. The officer interviewed the manager and employees along with processing the scene. Through the officers investigation he was able to develop a suspect which happened to be a former employee. The officer continued with the investigation including executing a search warrant at the suspect's home where additional evidence was located. The suspect was interviewed and arrested on the charge of breaking and entering.

Patrol Division responded to a retail fraud that had just occurred at a local business. The suspect had fled in a stolen car on Seaway near Getty. The officer located the fleeing vehicle and made a traffic stop on Getty near Airline. After a few minutes the driver of the stolen car refused to get out of the car. The offender sped off from the traffic stop and the officer gave pursuit. The pursuit lasted less than half a mile when the officer terminated the pursuit. The fleeing car continued on E Broadway where it eventually crashed into another vehicle and killed the driver and severely injuring the passenger. The fleeing driver was arrested and lodged on an open murder charge.

Patrol Division responded to the Sherman and US31 overpass on a subject that was threatening to jump. The officer arrived on scene and a male was sitting on the concrete guard rail on the NB side of the Sherman overpass, with his feet hanging over the NB side of the highway. The officer began to speak with the male, and he told the officer that he wanted to die and was telling the officer to leave. After continuing to speak with the male and calming him down, the male became less agitated and talked with the officer. He came off of the ledge, and we were able to place him into custody with no incident.
