SUBJECT: Bid Award Recommendation – 2020 (FY21) HMA Milling, Overlay and Resurfacing Project

Three bids were received on June 4, 2020 as part of the construction services for the 2020 (FY21) HMA (Hot Mixed Asphalt) Milling, Overlay and Resurfacing project. This work will be for selected streets (see attached list) throughout the city and be done in conjunction with the 2020 (FY21) Hot-in-Place Recycling project. The bid costs for this work are as follows:

Michigan Paving & Materials Company Grand Rapids, MI	\$1,715,692.57
Asphalt Paving, Inc. Muskegon, MI	\$1,921,992.10

Michigan Paving & Materials has performed competently for us in the past on the FY19 and FY20 HMA Milling, Overlay and Resurfacing Projects.

After reviewing the bids for this project and based on past experience with this Contractor, it is my recommendation to award the contract for these improvements to Michigan Paving & Materials Company of Grand Rapids, MI at a total unit cost for services of \$1,715,692.57.

The project is included in the FY-2021 budget and will be paid from Municipal Road, TIFA and Major Street Funds. The work is scheduled to be completed this summer/fall.
