

June 8, 2020

Council Meeting of June 16, 2020
Subject: Bid Award – 2020 (FY21) Hot-In-Place
Pavement Recycling

The Honorable Mayor
And
Members of the City Council

Ladies and Gentlemen:

One bid was received on June 4, 2020 for the 2020 (FY21) Hot-in-Place Pavement Recycling Project. The bid was from Gallagher Asphalt Corporation, of Thornton, IL in the amount of \$201,045.22.

The bid was found to be in order and meets City specifications. Funds are budgeted in the Municipal Road and Major Street Funds for this project.

Adoption of the attached resolution will award the bid to Gallagher Asphalt Corporation, of Thornton, IL in the amount of \$201,045.22.

Respectfully submitted,

Mark C. Meyers
City Administrator

Internal Memo

June 8, 2020

TO: Mark Meyers, City Administer

FROM: James Murphy, Director of Public Works 

SUBJECT: Bid Award Recommendation – 2020 (FY21) Hot-in-Place Pavement Recycling Project

A sole bid was received on June 4, 2020 for the 2020 (FY21) Hot-in-Place Pavement Recycling Projects for selected streets throughout the City. This work will be done in conjunction with the HMA Milling, Overlay and Resurfacing project.

After reviewing the bid for this project, it is my recommendation to award the contract for these improvements to Gallagher Asphalt Corporation of Thornton, IL at a total unit cost for services of \$201,045.22. The firm performs specialized work and the City has employed them over the past years on similar projects. The unit cost for the hot-in-place recycling for this year's work is \$4.69 per square yard and is less than last year's unit cost of \$4.76 per square yard.

The project is included in the FY-21 budget and will be paid from Municipal Road and Major Street Funds. The work is scheduled to be completed this summer/fall.

JRM/sr
