SUBJECT: Bid Award Recommendation – 2019 Forest Park Resurfacing Project

Bids were received on April 11, 2019 for the 2019 Forest Park Resurfacing Project for the milling, aggregate repair and repaving of Forest Park Road between Stryker Drive and Lake Point Drive. A total of four (4) bids were received.

The low bid for this project was from Jackson-Merkey Contractors, Inc., of Muskegon, MI at a total unit cost for services of \$225,330.70. The other three bids were as follows:

Asphalt Paving, Inc. Muskegon, MI	\$229,244.80
Michigan Paving & Materials Co. Grand Rapids, MI	\$237,637.34
Rieth-Riley, Construction Co., Inc. Wyoming, MI	\$300,190.30

The project is included in the FY-2019 budget and will be paid from the Street Funds. The work is scheduled to be completed this summer.

Jackson-Merkey Contractors, Inc. performed work as a sub-contractor on the last year's portion of the Forest Park Road resurfacing work from Lake Harbor Road to Stryker Drive.

After reviewing the bids for this project and, based on our conversation, it is my recommendation to award the contract for these improvements to Jackson-Merkey Contractors Inc., of Muskegon, MI at a total unit cost for services of \$225,330.70.
