

## Internal Memo

January 15, 2020

To: Mark Meyers, City Administrator  
From: Robert Gagnon, Fire Chief  
Subject: Firefighter-Driver Introduction

I would like to request the opportunity, at an upcoming City Council meeting, to introduce the newest addition to our Department. Please view Samuel Ortega's photo and bio below.

### **Samuel Ortega, Firefighter-Driver**

Mr. Ortega was hired on July 1, 2019. His work experience through Ferrysburg Fire Department made him a great candidate for the position of Firefighter-Driver. He also brings knowledge from his work experience as a youth minister at Engedi Church and Life Church. Outside of work, Sam enjoys being outdoors with his family, CrossFit, jiu-jitsu, reading, music, and playing various instruments like the mandolin, harp, and the guitar.

I look forward to the opportunity to introduce to City Council the newest member of our Fire Department team. Please contact me if you have any questions.
