General Public Comment

Alison Purgiel, Norton Branch Lead Librarian, shared with City Council that from the soft opening on January 13<sup>th</sup> to January 31<sup>st</sup> there were 885 visitors to Storyville Village. Use of the Village is far exceeding expectations and continued in February with 600 visitors up to today, February 18<sup>th</sup>. The City's support of this long-time coming project is appreciated and an official opening will be announced soon.

Tom Hillstrom, 4340 Hackley Point, thanked the City on behalf of the Mona Lake Improvement Association for conducting the bid process for weed spraying of Mona Lake. He feels a more skilled contractor and lower price can be attributed to the City's bid process.

City Administrator Mark Meyers informed Council that Department of Public Works Director Jerry Bartoszek recently submitted his notice to retire as of May 29, 2020.
