ADMINISTRATION

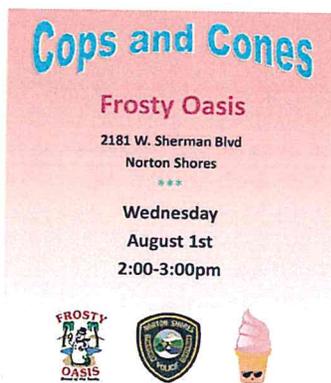

The Norton Shores Police Department is under the command of Chief Jon Gale. The Chief of Police provides administrative control, establishes and implements policy relative to fiscal and operational control, personnel management, community relations and management of the agency's law enforcement accreditation program. The Department has the responsibility to provide the best law enforcement services possible to the community, at the least possible cost, by utilizing personnel and equipment in the most economical and efficient manner possible.

AGENCY FOCUS:

This agency has continued to focus on police-community relations which in turn makes our neighborhoods safer and our city a better place to live. Preventing and solving crime is a team effort. Our approach has been successful through such programs as self defense classes, Ice Cream with the Police, using social media, National Night Out events, Ride with Pride program, Face the Book, Pizza with the Police, Public Safety Open House, Coffee with the Cops, and Operation Safe Exchange. These programs were enhanced and continue to grow as the support from the community becomes stronger.

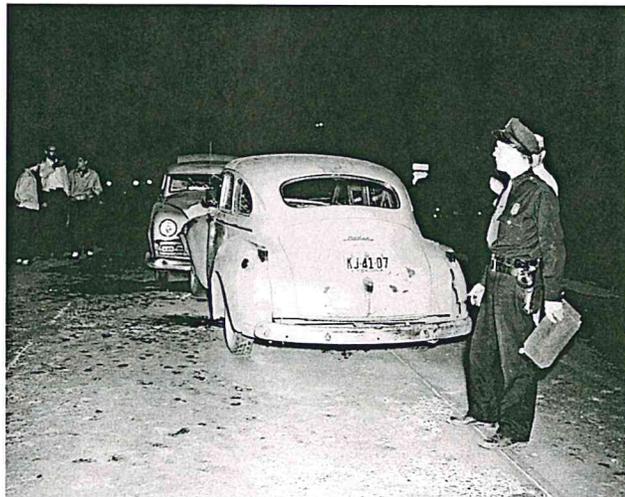

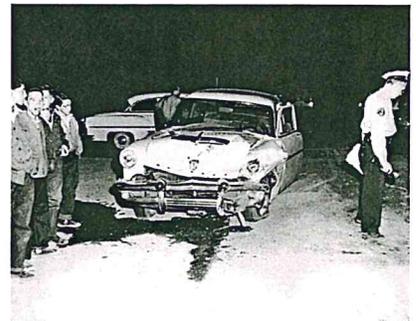

Several challenges have been identified for the future of the department. In FY2018, the department has increased its staffing levels due to new contracts with the Muskegon County Airport and the Mona Shores High school. The department now provides security at the Muskegon County Airport for screening times and outgoing flights. Flights are scheduled seven days a week and at least twice daily. The department also provides a full time officer who is stationed at the Mona Shores High school. The officer provides security, manages emergency plans, lock down drills, manages the Ride with Pride program, and other duties agreed upon by both entities.

50 Years of Dedication

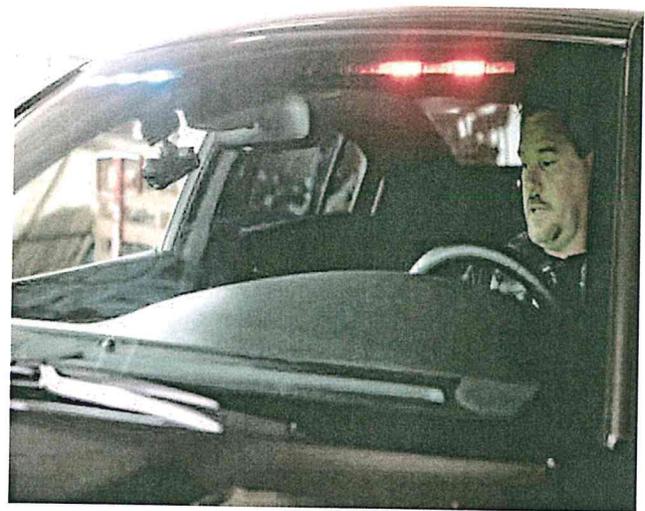

This year we celebrated 50 years of City Law Enforcement by highlighting the careers of several retired officers on Facebook. The below historical photos are from the Norton Township Police archives.

Budget Expenditures

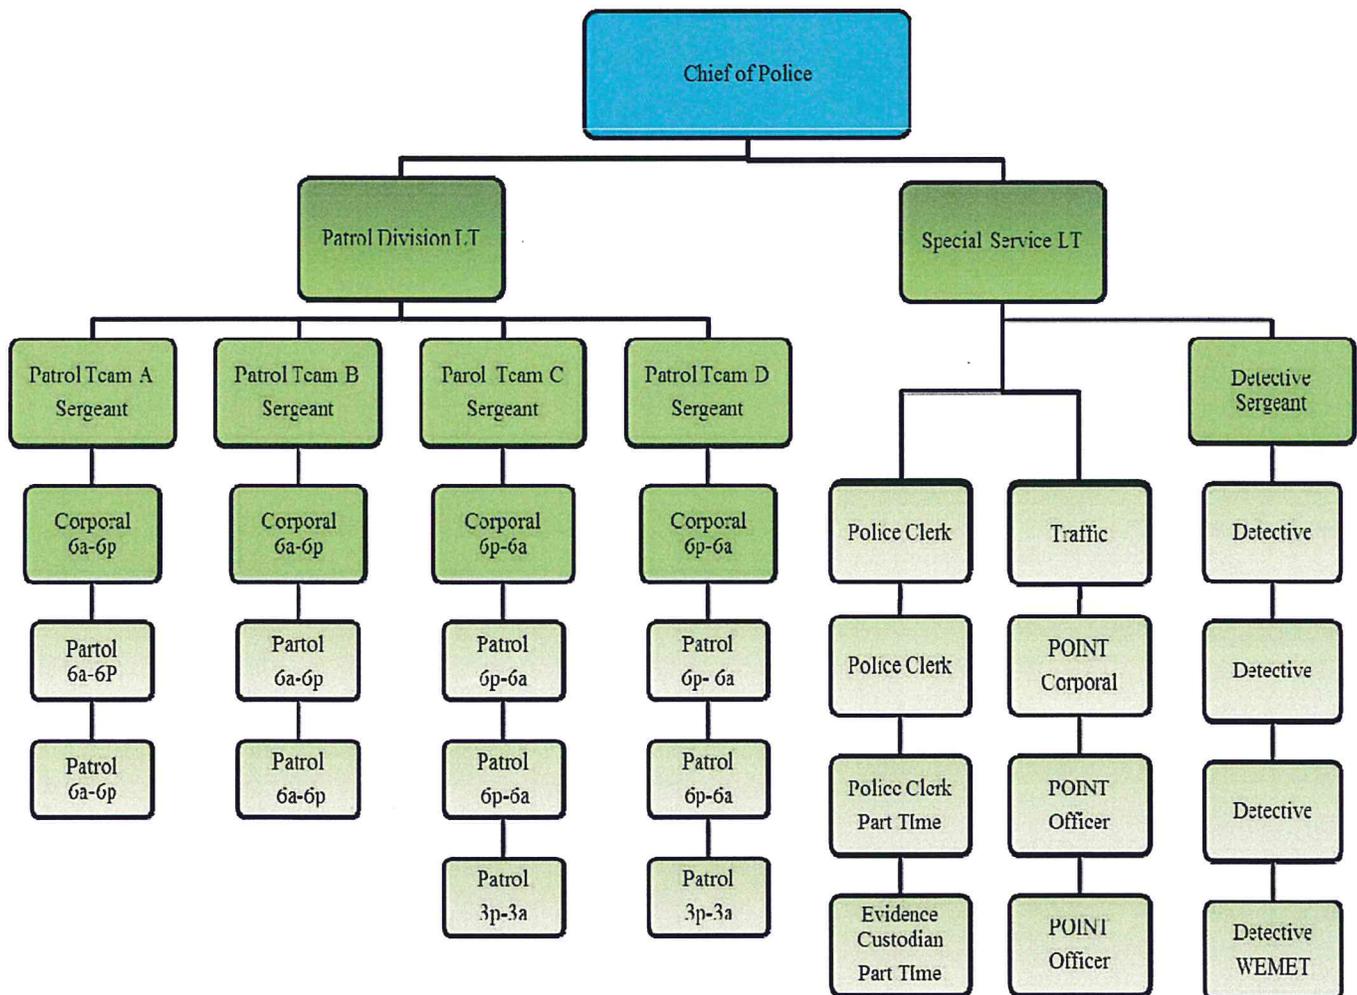

The agency implemented a Digital Evidence Management Solution in FY2018, by purchasing body cameras, car cameras, and new portable radios. The Police Department has utilized in-car video for several years. The benefits of video include transparency, accountability, officer over sight and evidentiary value. The department expanded these benefits to include body worn cameras in FY2018. The addition of the body worn camera system has reduced officer complaints and increased evidentiary video used for courtroom evidence.

Communications for public safety is crucial in emergency and non-emergency uses. The most important item on a police officer's belt is the portable radio. This tool needs to perform at all times and without limitations. The purchase of the new radios have increased officer safety and the ability to communicate in areas where coverage is limited.

Personnel

During FY2018, the Department's authorized strength was increased to 30 sworn and two non-sworn full-time personnel. In addition, the Department is authorized four part-time non-sworn clerical positions and six part-time non-sworn police cadets.

New Employees

Officer David Harwood was hired in October 2017. He graduated from the Grand Valley State University Police Academy and also served in the US Army. Officer Harwood has been a great addition to the patrol staff.

Officer Nicholas Shevokas was hired in June 2018. He graduated from the Grand Rapids Community College Police Academy and received a Bachelor of Science degree from Ferris State University. Officer Shevokas will be a great addition to the department after his fourteen weeks of training is completed.

CADET PROGRAM

The Department maintained the Police Cadet program for FY2018. The following are the police cadets hired for the 2018 season (Note: asterisk (*) indicates returning from the previous year).

Law Enforcement Accreditation

On April 2, 2016, the Norton Shores Police Department was awarded its eighth consecutive Advanced Law Enforcement Accreditation by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA). The Department is one of only thirteen accredited law enforcement agencies in the State of Michigan and has been accredited since March 1993.

The Commission was established as an independent accrediting authority in 1979 by the four major law enforcement executive associations: The International Association of Chiefs of Police; The National Organization of Black Law Enforcement Executives; The National Sheriffs' Association; and The Police Executive Research Forum. The Commission has 21 members – 11 of whom represent public safety agencies and 10 from the public and private sectors. The Commission was established for two reasons: to develop a set of law enforcement standards, and to establish and administer an accreditation process through which law enforcement agencies could demonstrate voluntarily that they meet professionally recognized criteria for excellence in management and service delivery. Over 900 public safety agencies throughout the United States, Canada, Mexico, Barbados, and Bermuda are enrolled in some stage of the CALEA process.

In FY 2017 the Norton Shores Police Department moved to the new 4 year assessment cycle mandated by CALEA. This new process now consists of 3 years of a remote web based auditing process conducted by CALEA assessors. Each year 25% of the standard files are reviewed for compliance with the time sensitive files reviewed annually. A report is then completed each year detailing the results of the independent auditors findings. The first 3 years reports are meant to guide the department in gaining compliance with the standards. The final report is completed the 4th year after an on site assessment is conducted by CALEA assessors and then presented to the commission for final approval.

On March 27 2018, the second year remote assessment was completed by an assigned CALEA assessor. The assessor marked all standards reviewed in compliance. The Department's accredited status is in effect for a period of two more years, with the next independent onsite assessment anticipated to be conducted in December 2019.

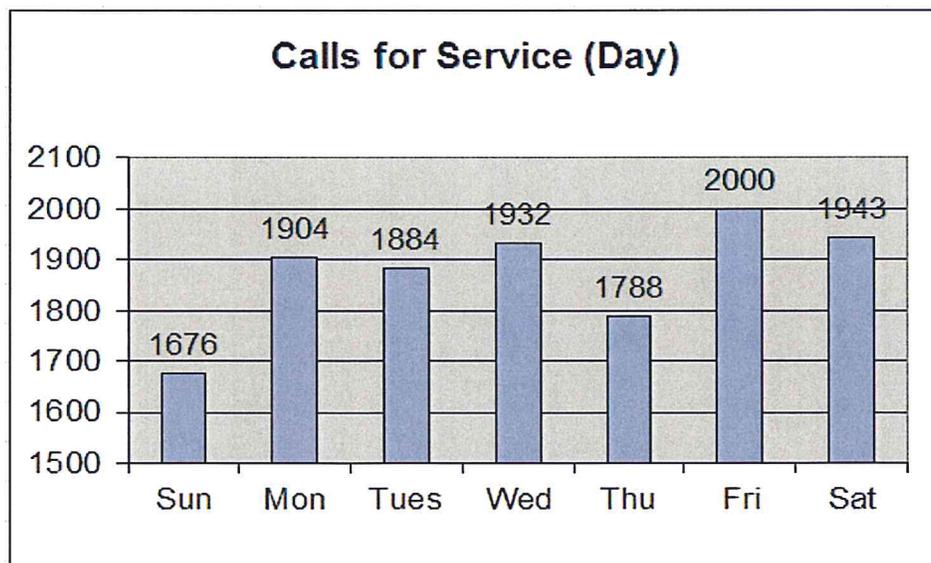

PATROL DIVISION

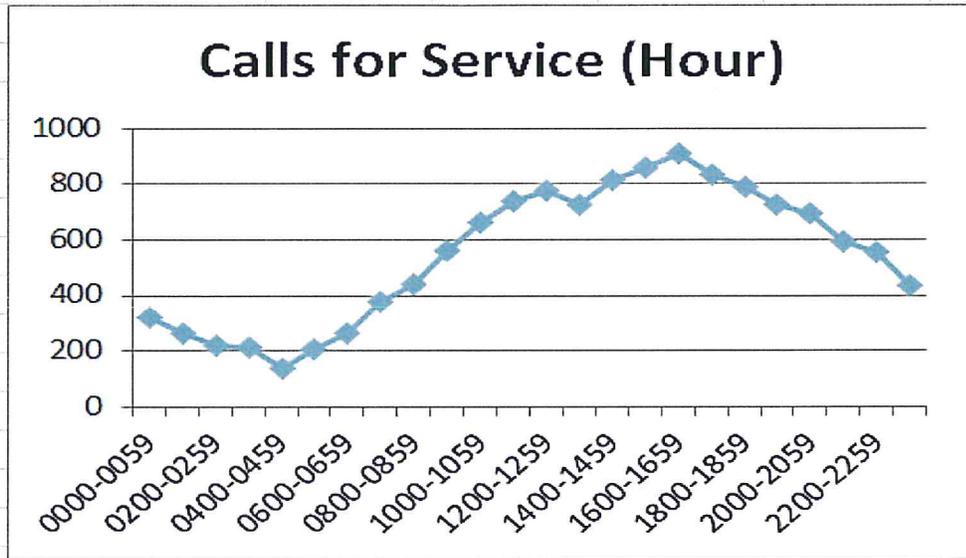

The Patrol division is under the command of Lieutenant Michael Kasher and consists of four sergeants, four corporals, and ten patrol officers. Patrol is responsible for conducting crime prevention patrols, responding to calls for service, preliminary criminal investigations, traffic enforcement, and miscellaneous field services. Officers assigned to this function have the greatest contact with members of the community.

Calls for Service

During FY2018 the Police Department logged 11,327 calls for service, which is a decrease of 286 calls for service as compared to FY2017 (11,613). Calls for service include all emergency / non-emergency calls for service and any officer-initiated activities (see Appendix C). Department personnel submitted 8,650 incident reports, which is an increase of 182 reports compared to FY2017 (8,468).

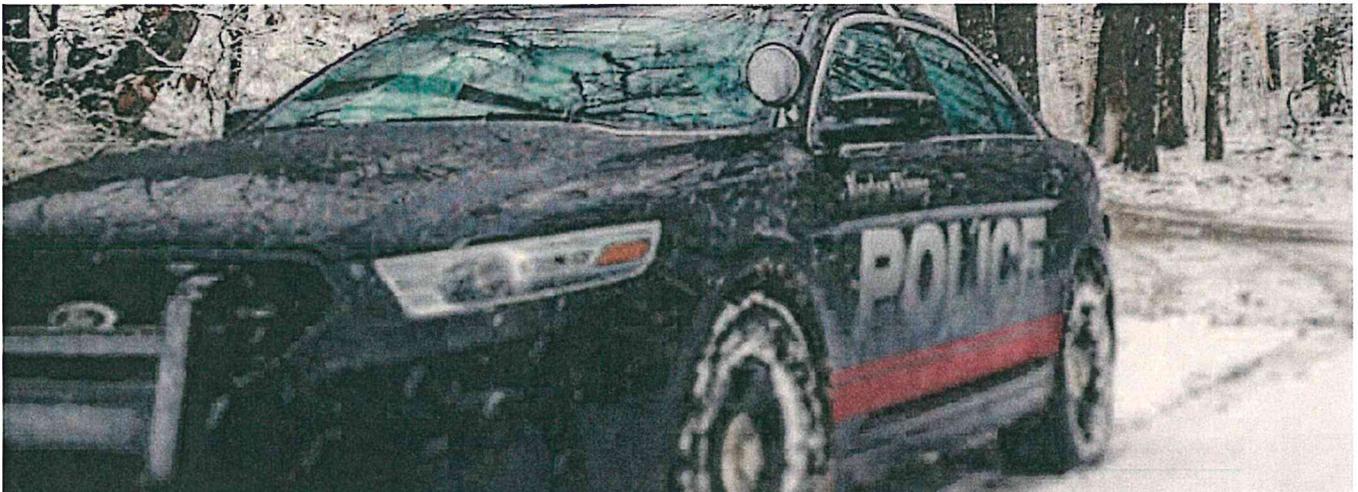

The following chart depicts, calls for service based on hour of day for FY2018

As depicted in the chart above, the Department receives the fewest number of calls for service in the early morning (3a-6a) hours. Calls typically increase during the afternoon (12p-6p) reaching a peak in the late afternoon or early evening hours. This pattern generally matches traffic flow volumes observed throughout the city.

Officers covered 298,954 miles this past year while patrolling, responding to calls and doing follow-up investigations. This is a 1.6% increase in miles traveled as compared to last year's 294,477 miles. There was an increase in miles due to added staffing in FY2018.

ANNUAL REPORT FY-2018

Criminal Activity

Class A type crimes (more serious) were up by .08% compared to last year. Class B type crimes were also up 1.1% for the fiscal year. Total crime was up .09% for this fiscal year. As you can see FY2018 very similar to FY2017. See the below table for more information.

		Fiscal Year 2018		
		2018	2017	Chng
Group A Offense		1276	1266	10
Group B Offenses		761	753	8
TOTAL OFFENSES		2037	2019	18

Non-Criminal Activity

The number of non-criminal incidents reported in 2018(6,613) increased by 2% as compared to Fiscal Year 2016(6,448). Non-criminal incidents comprised 76% of the Department's total incident reports. Non Criminal reports include reports such as residential and business alarms, crashes, civil complaints, and driving complaints.

Training

The Norton Shores Police Department is dedicated to professionalism and high standards. To maintain this high level, training and education has increased to keep up with expectations. Because of the complexity of policing, and the many aspects of it, the more training and education an officer has, the better he or she is prepared to deal with issues in our community. Our officers including command officers received over 100 hrs. per officer of training this past year which equates to over 3,000 hrs. for the whole department.

Training continued;

Studies have proven that there is a link between lack of training and liability. Therefore, training lowers the risk of civil and criminal liability for the agency and the officer. The Norton Shores Police Department provided training in FY2018 that included hand-to-hand combat, pepper spray, Taser, handcuffing techniques, handling mental illness, leadership, de escalation, precision driving techniques, and use of force. The training sessions also included reviewing departmental policies regarding each of these areas. This training included lectures, range, and scenario based where officers need to think and analyze decisions.

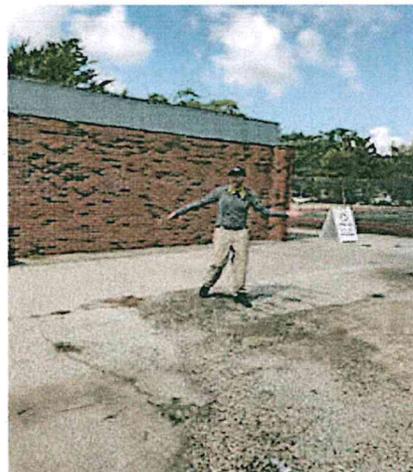

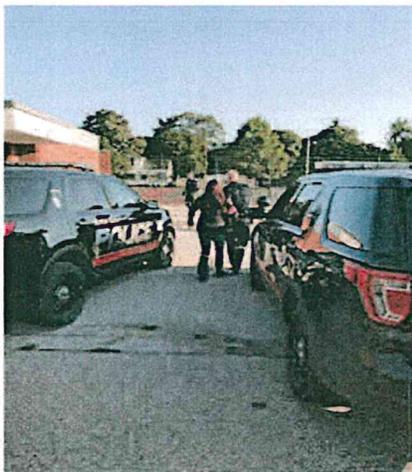

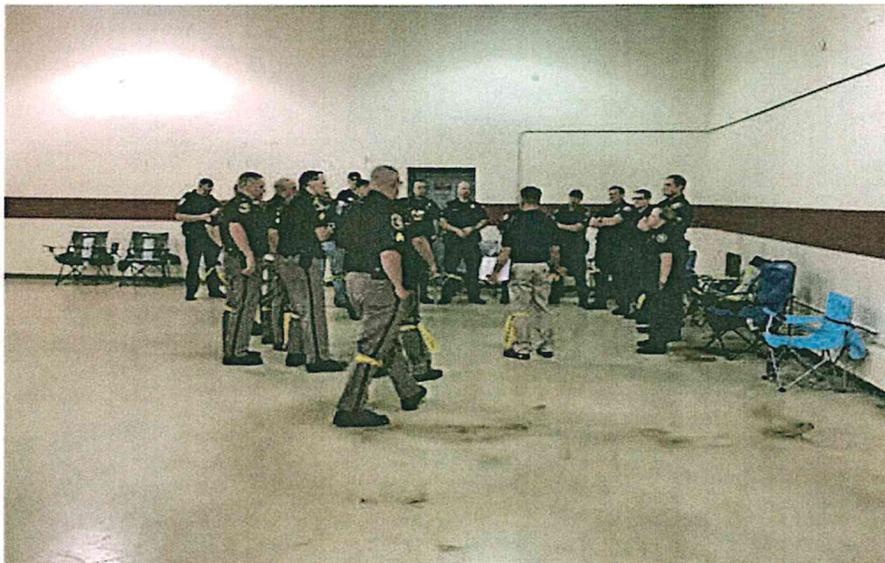

Training continued:

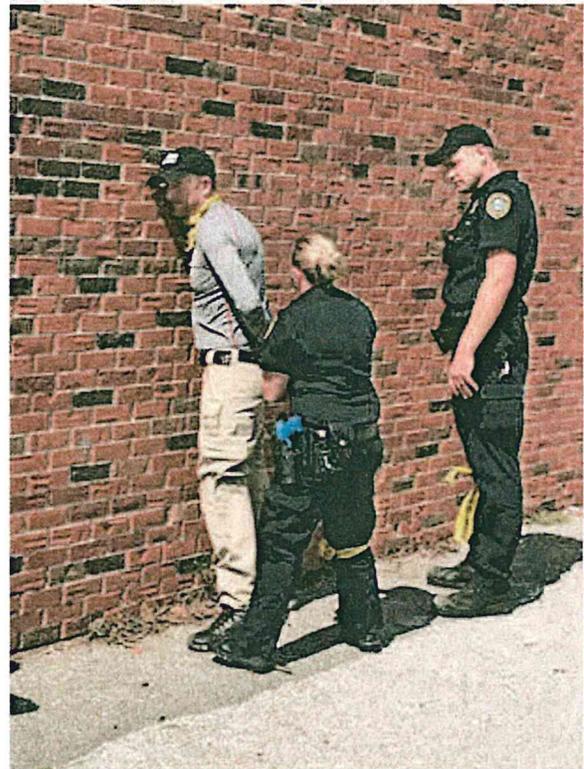

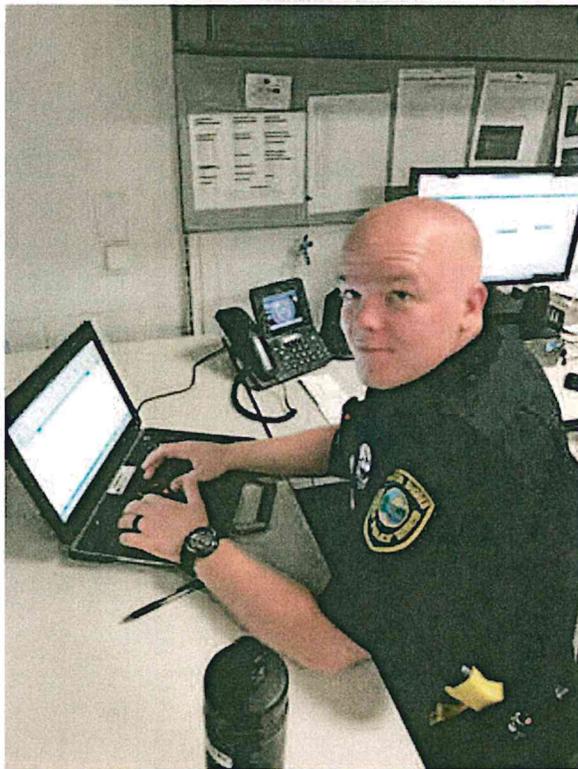

The Norton Shores Police Department and Health West in Muskegon have joined to offer Mental Health and De-escalation training for Law Enforcement. The Western Michigan University Homer Stryker M.D. School of Medicine was called to proctor the training which is named MI-CIS. All officers from the Norton Shores Police Department participated in this three tier training format which continued into FY2019.

Students were taught to recognize a crisis and slow down the tempo of the situation by using time and distance while realizing all situations are not the same. Officers were taught to realize the power of effective communication and to understand that by talking with an individual can often lead to a defusing, de-escalation of their emotionally-charged state of mind.

Through this training we are seeking to expand knowledge of Mental Health and related behaviors and to acquire the information and tips on how to effectively interact with individual in a crisis.

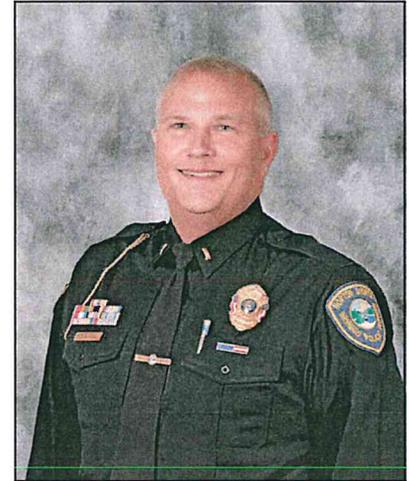

The Norton Shores Police Department officers are charged with keeping the peace for all citizens in the City of Norton Shores. We pursue and apprehend individuals who break the law, enforce traffic laws, arrest suspected criminals, and resolve community issues. Our officers are typically assigned to patrol specific areas in a geographical district and have become familiar with their patrol areas when investigating suspicious circumstances. Our newly hired officers receive over 780 hrs. of training by certified field training officers. This intense training program gives the newly hired officers the tools necessary to be successful and more productive throughout their careers.

The Police Department is committed to continuous training which will help prepare our officers to handle stressful situations and give the community we protect better service. The Police Department will continue its proud tradition of training and educating officers to ensure that they are well prepared and equipped to deal with all kinds of situations that they will encounter.

SPECIAL SERVICES

The Special Services function is under the supervision of Lieutenant Brandon Poel. This unit includes the Records Bureau, which staffs two full time and two contracted part time clerks. The Problem Oriented Intelligence-led Neighborhood Team (POINT) has three officers assigned to the team, which their main function is community relations. The Detective Bureau, under supervision of Detective Sergeant Marc Vanderstelt includes four detectives, the Traffic Unit which currently has one assigned officer and the Police Cadet Unit.

Problem Oriented Intelligence-led Neighborhood Team

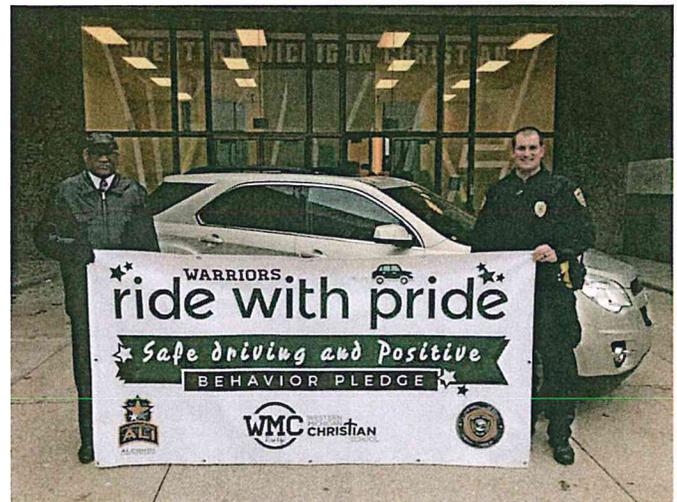

The Problem Oriented Intelligence-led Neighborhood Team (POINT) is authorized three officers. The team is responsible for providing crime prevention, school resource programs, coordination of the Sex Offender Registration program, airport security, participation in the Lake Harbor Beach Clean Up, providing assistance to the Detective Bureau with investigations and evidence room custodian.

POINT Officers conducted activities for alcohol awareness at Mona Shores and West Michigan Christian High School in conjunction with the Muskegon Alcohol Liability Initiative (ALI), school personnel, and other relevant organizations. Outside of the schools, POINT Officers delivered alcohol vendor training packets and completed decoy “buy” operations.

Continually engaging the community, POINT officers conduct monthly Coffee with a Cop sessions in partnership with valued local businesses. Combined with outreach efforts to churches, neighborhoods, and youth organizations, the POINT division is a great source of pride and communication for our community.

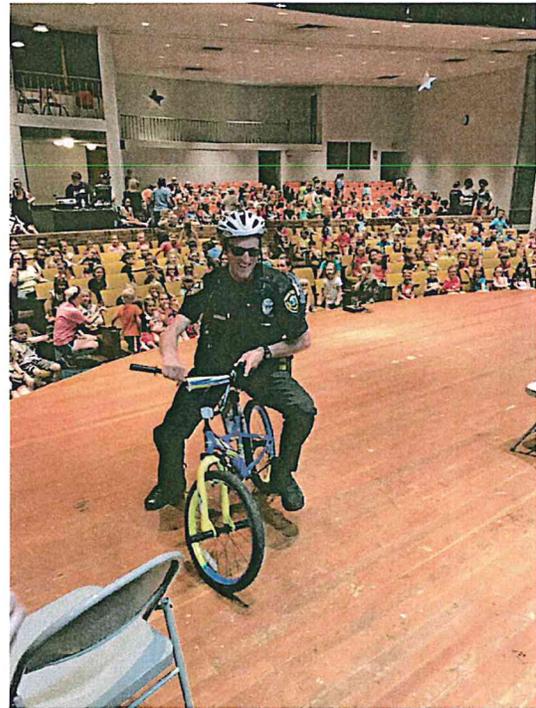

During FY2018, the team continued the award winning "Ride with PRIDE" Program, an incentive based program encouraging positive behaviors, safe driving and abstinence from alcohol and drug use for K-12 schools in the Mona Shores School District. This year we brought Ride with Pride to Western Michigan Christian.

Alcohol prevention and safety activities were conducted throughout the school year such as driving courses where the students wear drunk goggles to mimic the effects of driving drunk.

Each elementary held their own finale as well with each school giving away two bicycles donated by Meijer, a free game of bowling to every student donated by Sherman Bowling Center, and free ice cream cones to all students donated by Whippi Dip and Frosty Oasis.

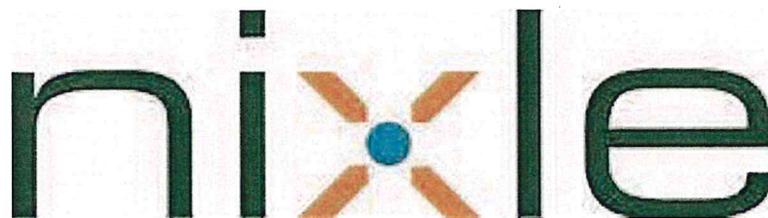

The "Ride with PRIDE" program has been presented statewide and nationally to other police departments and school administrators. The program is gaining notoriety and now seven schools and police agencies have committed to it for 2018/2019.

POINT officers maintained a close partnership with Mona Shores Public Schools and Western Michigan Christian by providing school safety advice for all school buildings. Officers assisted in several "lock-down" drills and provided training to faculty members in regards to school safety procedures.

POINT officers coordinated the Department's presence on the social media websites of Facebook, Nixle, YouTube and Twitter in an effort to provide the community with information regarding crime, crime prevention and other community advisories. The department Facebook page has over 4100 people following and continues to grow every day informing our citizens about current events in the community.

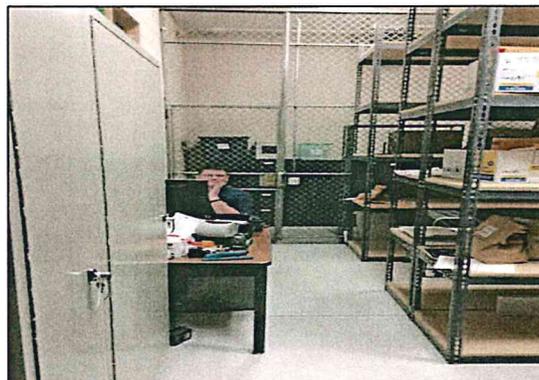

Starting in the Fall of 2015 POINT officers started the Community Cop Talk Program. We expanded to new places this year and included Sherman Bowling Center for Bowling with the Blues.

Evidence Room

The evidence custodian is a part time civilian position responsible for management of the property/ evidence room and overseen by the Special Services Commander. The Evidence custodian continues organizing and purging of the new evidence room. Updated forms and new training continue to assist with this process.

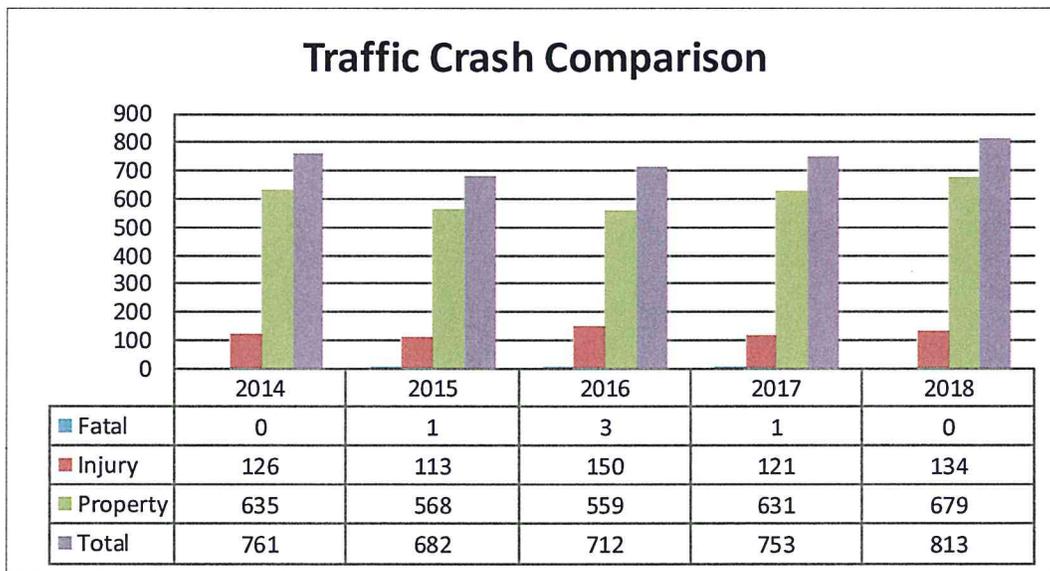

The evidence room continues to be more manageable and allows full time officers to engage in the community more.

Traffic

Traffic Crash Summary

There were a total of 813 traffic crashes reported during FY2018, which is an increase of 7.9% from the previous year FY2017 (753). Over the past five years, the City of Norton Shores has averaged 744 traffic crashes per year. The following is a breakdown of the crashes based on severity:

Most crashes involved passenger vehicles; however, the Department also policed 26 commercial vehicles, 6 motorcycles, 5 emergency vehicles, 1 pedestrian and 5 bicycle crashes. There were no school bus related crashes this past year. There were also 80 car versus deer crashes, which is an increase of 33% from the previous year, when 60 crashes occurred.

Of the 813 total crashes, at least one person was injured in 134 incidents, which is 16%. The number of injuries increased from the previous year (121), but the average remained the same at 16%. The average number of injury crashes for the last five years is 129.8, or 17.4%.

The following intersections had the highest number of crashes during FY2018:

Rank	Location	Crashes
1	HARVEY ST @ STERNBERG RD	38
2	HENRY ST @ NORTON AVE	18
3	BROADWAY AVE @ HENRY ST	15
4	GETTY ST @ SHERMAN BLVD	15
5	GRAND HAVEN RD @ PONTALUNA RD	15
6	HENRY ST @ SEMINOLE RD	12
7	HENRY ST @ SUMMIT AVE	12
8	E I 96 @ N US 31	11
9	SEAWAY DR @ SEMINOLE RD	11
10	SEAWAY DR @ SEMINOLE RD	10
11	AIRPORT RD @ GRAND HAVEN RD	9
12	N US 31 @ STERNBERG RD	9
13	AIRLINE RD @ GETTY ST	9
14	N US 31 @ W I 96	9
15	GRAND HAVEN RD @ STERNBERG RD	9
16	SEAWAY DR @ GETTY ST	9
17	HARVEY ST @ HILE RD	8
18	NORTON AVE @ SEAWAY DR	8
19	SEAWAY DR @ S BR US 31/NORTON	8
20	AIRLINE RD @ AIRLINE/S US 31 RAMP	8

There were several changes this year to the top crash intersection list. Harvey St. @ Sternberg rd. moved back to the #1 crash intersection with 38 crashes. Last year it fell to #2 with 30 crashes, which was the first time in the last 5 years. Henry St. @ Norton Ave moved down to #2 with 18 crashes. Last year it was #1 with 37 crashes. The number of crashes in that area decreased by almost 50%. This is a very significant number. The third top crash intersection this year was Broadway Ave @ Henry St. with 15 crashes. Last year it was #10 with 11 crashes.

There are several new intersections to the list this year. Airport Rd @ Grand Haven Rd, N US 31 @ Sternberg Rd, Airline Rd @ Getty St, Grand Haven @ Sternberg Rd, and Seaway Dr @ Getty St all made the list with 9 crashes each. Harvey St @ Hile Rd also made the list with 8 crashes.

This year Hile Rd @ S US31 (#3 last year) and Broadway Ave @ Getty St (#6 last year) did not make the list.

ANNUAL REPORT FY-2018

Traffic Enforcement Summary

The Police Department issued a total of 2,745 traffic citations during FY2018, which represents an increase of 18.7% from the previous year (2,313). There were also 133 parking citations issued (FY2018) which is a 5.5% increase when compared to FY2017(127).

The Department has joined with other area agencies in an attempt to reduce the number of crashes by participating in several national safety programs such as “Click It or Ticket”, “You Drink, You Drive, You Lose” and “High Visibility Enforcement”. The Michigan Office of Highway Safety Programs has provided the funding necessary to cover the overtime expenses for officers participating in these safety programs.

The chart below represents the most common violations:

	FY2015	FY2016	FY2017	FY2018
No Proof of Insurance	515	383	336	440
Speeding	569	643	471	560
Driving on a Suspended Operator’s License	230	220	176	230
Expired Plate	290	253	271	266
No Operator’s License on Person	75	84	45	34
Fail to Stop in Assured Clear Distance	195	173	194	187
Seatbelt Violation	173	124	69	85
Improper Plate	67	70	75	106
Expired Operator’s License	23	19	9	13
Defective Equipment	441	259	192	275
Fail to Yield Right of Way	87	70	59	117
Red light/stop sign	NA	214	150	132

Records Bureau

The Records Bureau provides administrative support to the entire Department and is staffed by part-time contractual employees and two full-time records clerks. The Bureau is responsible for maintaining all law enforcement records, including reports, citations, warrants, and subpoenas. In addition, the bureau provides computer support and serves as the Department's Law Enforcement Information Network (LEIN) Terminal Coordinator.

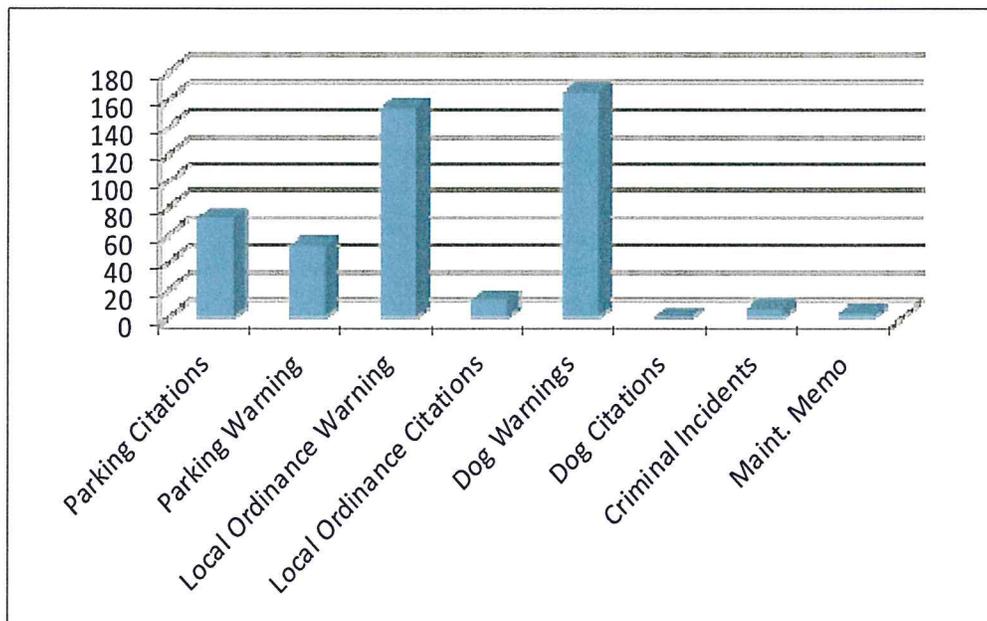

This fiscal year the Records staff submitted 128 incident reports and 870 supplemental reports for walk-in or telephone complaints which did not require the presence of a sworn police officer. In addition to processing all felony and misdemeanor warrants, the following tasks were performed by the Records staff:

- Registered a total of 93 sex offenders residing in the city of Norton Shores.
- Processed 987 handgun registrations for citizens of the city, including criminal records checks and entry of the weapons into the Automated Pistol Reporting System.
- Provided information to victims of crime.
- Registered 10 bicycles.
- Provided tours of the Police Department for school age children.
- Registered 56 participants for the Norton Shores Hunter Safety Program.
- Prepared 1,131 case files for officers to be used during court appearances.
- Processed LEIN paperwork for 180 impounded or abandoned vehicles.
- Processed 39 personal protection orders.
- Processed 541 misdemeanor arrests.
- Processed 142 felony arrests.

Police Cadet Unit

Now in its seventh year, the Police Cadet program continues to provide benefits to the community of Norton Shores and its visitors. Trained by Lieutenant Brandon Poel and POINT Officer Jared Passchier, their primary mission is to act as city representative by providing useful information to visitors, enforcing ordinances, and assisting Police personnel as needed.

The six cadets seek voluntary compliance for rule violations prior to issuing citations, typical violations include off-leash dogs and bringing dogs onto the beach. The Cadets have provided a critical service in preventing underage drinking and other violations within Lake Harbor, Ross, and Black Lake Parks.

Cadet Gretchen Damm

Two years of service

INVESTIGATIONS

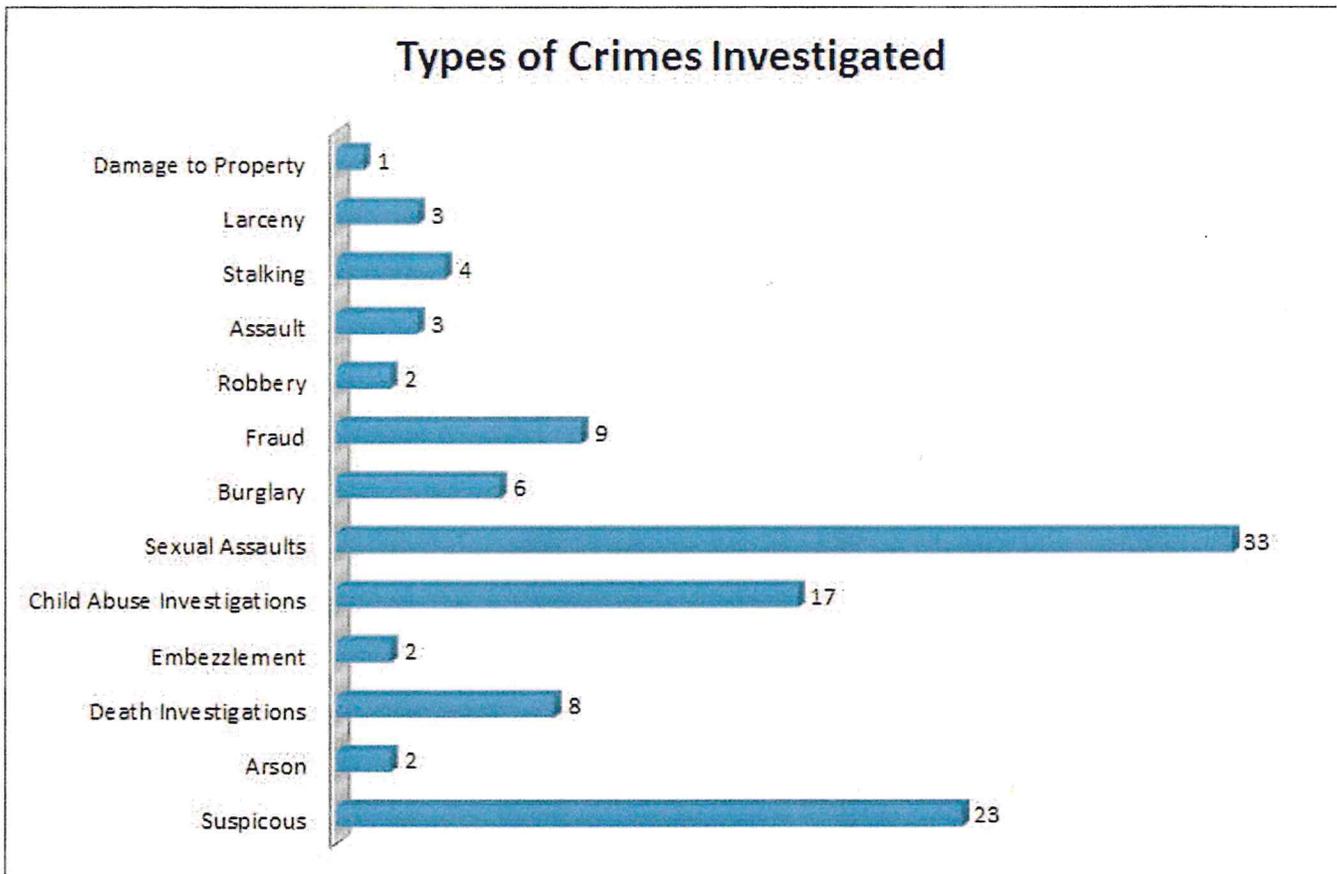

The Investigations function is under the supervision of Sergeant Marc Vanderstelt. The function includes the Detective Bureau which consists of three officers assigned as detectives. In addition, one officer is assigned to the West Michigan Enforcement Team (WEMET) addressing regional drug and vice crimes.

Detective Bureau

Members of the unit are responsible for elaborate investigations that require specialized training and extensive man hours. Detectives spend a significant amount of time at the court house swearing to warrants and meeting with the Prosecutor’s office to discuss investigations. In addition, personnel cooperate with other agencies on multi-jurisdictional investigations such as organized crime, fraud, internet crimes, and narcotics.

One hundred and thirteen new cases were assigned to the detective bureau in FY 2018. The following graph shows the types of crimes investigated.

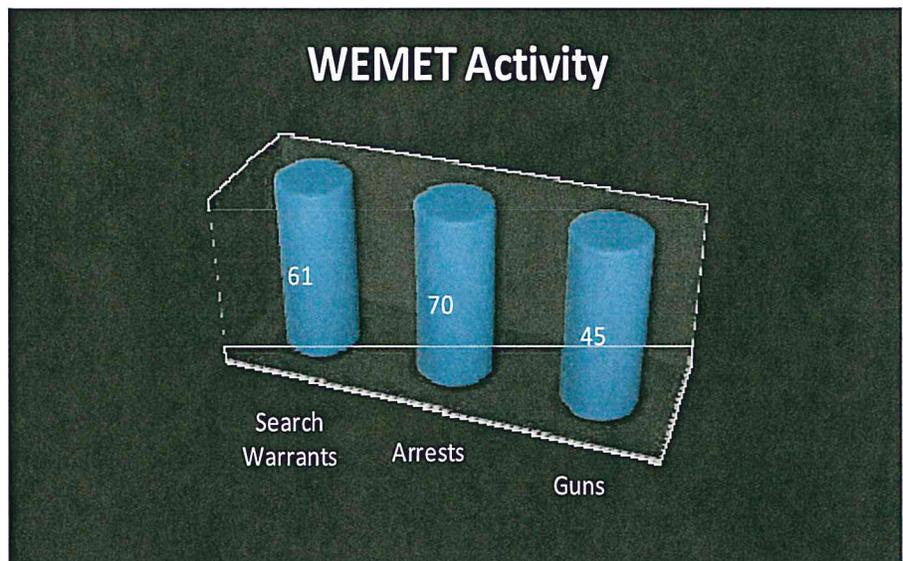

In addition to conducting interviews and interrogations, the detectives are responsible for processing crime scenes and the collection of evidence.

West Michigan Enforcement Team

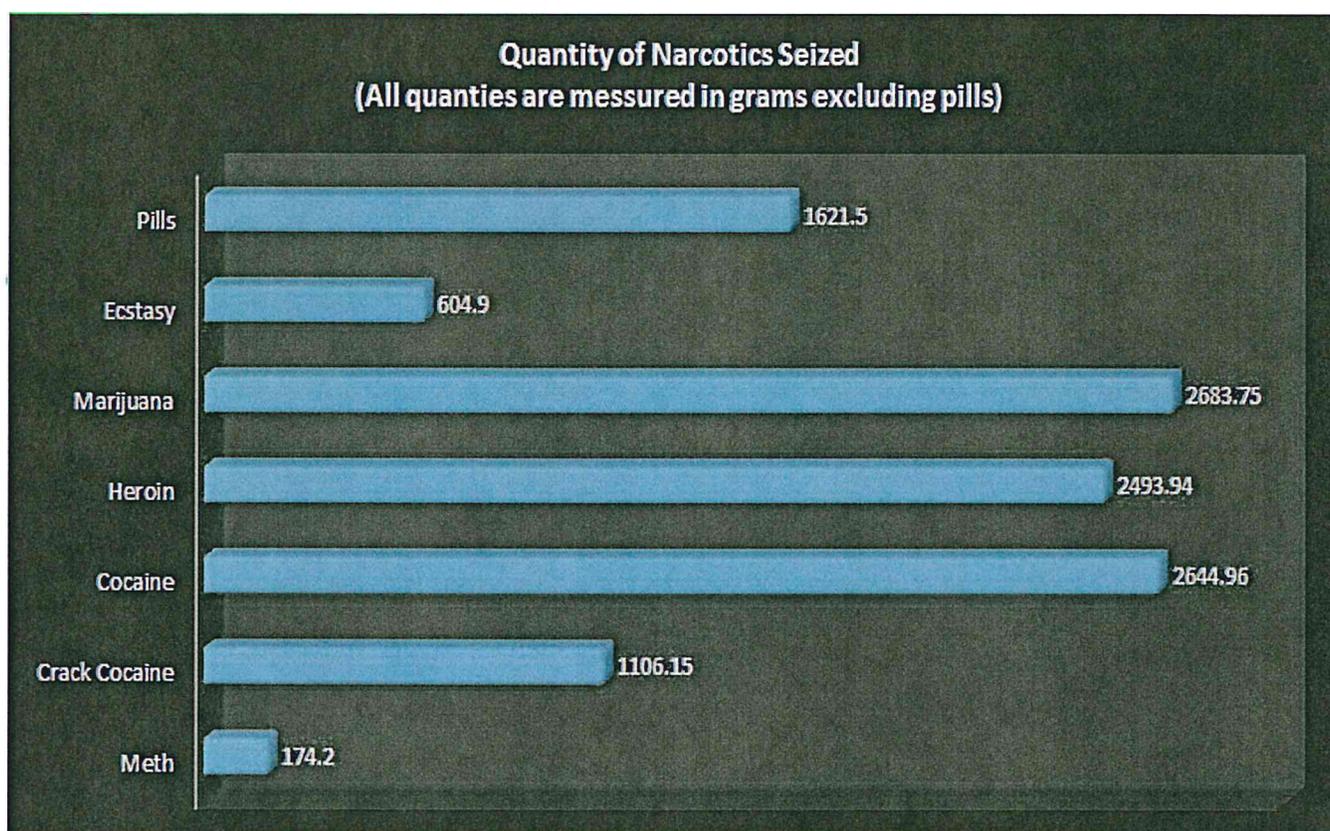

The Norton Shores Police Department has one detective assigned to the West Michigan Enforcement Team (WEMET), a regional “concept team” assigned to investigate the trafficking of narcotics. The detective conducts undercover investigations with officers assigned to WEMET from other Muskegon County agencies. WEMET is under the direction and control of the WEMET Board of Directors, of which City Administrator Mark Meyers is a member, and the WEMET Operations Board, of which Chief Gale is a member. WEMET is supervised on a daily basis by the Michigan State Police.

The Muskegon County WEMET team conducted the following activities during FY 2018.

The Department's WEMET undercover detective assisted in investigating 229 complaints of possessing and distributing narcotics in the Muskegon County area. That is a decrease of 69 complaints compared to last year. Of the 229 complaints, 41 complaints occurred within the city of Norton Shores.

The chart below illustrates the narcotics seized by WEMET

SPECIAL TEAMS

Norton Shores Underwater Recovery Team

The NSURT (aka Dive Team) is comprised of members from the Police and Fire Departments. In addition to being the primary responder to water emergencies within Norton Shores, the team also maintains a close working relationship with the Muskegon County Sheriffs Department Dive Team to assist neighboring communities.

In addition to a monthly training regiment, the Dive Team underwent re-certification in Ice Diving Operations this past winter. Additionally, badly needed equipment investments were made to increase diver safety and capability for years to come.

Honor Guard

The Norton Shores Honor Guard team includes four members from the Police Department and four from the Fire Department. In FY 2018, the team purchased new uniforms with capital improvement funds. Upon request, the Honor Guard will make appearances to present or retire the National Colors (flags) during public relations events or parades, represent the City during times of mourning, or represent the City at funeral services for public safety members who gave the ultimate sacrifice. The team represented the department in over ten events this past year.

Hunter Safety Program

The Police Department continues to provide hunter education to over 100 children and adults each year. This program is provided free of charge and is held twice a year in April and August. Volunteers for this program include current and retired police, fire, and city employees and other volunteers from the community. This program is regarded as one of the premier programs in the state. We have students attempting to sign up for the program from all over Michigan. Equipment for this program has been donated by community members and local hunting/fishing organizations, including a new equipment trailer. The program also participates every year as an exhibitor for Sportsmen For Youth at the Muskegon County Fairgrounds.
