APPARATUS AND EQUIPMENT

- Ladder 442** The ladder operations became defective. Department personnel discovered a relay that was bad and the replacement parts are on order. The truck is out of service until it is repaired.
- Engine 421** The onboard generator became defective and was sent to Bridgeway Cummins in Grand Rapids for repair.
- Boat 470** Boat 470 is at the shore station and ready for service.
- Hose Testing** Hose testing has been completed for the year, wrapping up the annual requirement.
- Ladder Testing** Ladder testing was completed by First Alarm Testing from Kentucky, and all of the department ladders passed. This is another annual testing requirement from NFPA.
- Medical Response Bags** Due to the new requirements set by the State of Michigan, department personnel have been working on updating all of the equipment in each of the vehicle Medical First Response bags.

FACILITIES

- Station #2** Garage door #3 has become inoperable. Affordable Door and Gate came out and determined a new opener will be needed. This issue will be addressed in FY 20.
- Station #4** June is the first full month Station #4 has been back to full staffing. Personnel is working on finalizing the day-to-day readiness of the station.

PERSONNEL TRAINING AND ACTIVITIES

The month of June had department personnel completing Search and Rescue Training. Adding to the experience for this training was Maranatha Bible Conference. One of their lodges is being slated for removal at the end of this summer. Before they do, they have offered it up for training purposes. This partnership enhances not only the working relationship between the community members and the department, but it adds realism that we can offer to each member attending the training. There will be more training opportunities throughout the summer at this location.

Search & Rescue Training at one of Maranatha Bible & Missionary Conference lodges.

June also brought Emergency Vehicle Drivers Training to the staff. Each member refreshed on the importance of driving safely while operating both the large and small apparatus' in an emergent and non-emergent manner.

Operational training has begun with Boat 470 and the recently acquired side scan sonar replacement. Both pieces of equipment require specialized skill to properly operate, and our dedicated personnel is well underway to sharpening their skills.

All of our new recruits are progressing as expected through their initial training process. One new firefighter-driver is starting July 1.

*The Norton Shores Fire Dept, along
with surrounding area help, were able
to safely extricate the surviving patient
from this vehicle accident.*

At approximately 1820hrs last evening, Blue Shift Personnel were dispatched to a Motor Vehicle Accident with injuries on Southbound 31 at the Pontaluna Rd Exit. With all 3 Stations already enroute to a separate MVA in Station 1's first due area, personnel from #3 Station diverted to the accident on US 31. Rescue 473 with 2 personnel arrived within 3 minutes of initial dispatch to find a small passenger vehicle on its side up against several trees, with a female passenger pinned. See More

Your Norton Shores Firefighters were thrilled to be a part of the Wings of Mercy fund raiser today. We had a blast speaking and interacting with members of the community and showing them our apparatus! Thanks for everyone who came out to run the 5k and show their support for this amazing organization!
