RE: Request for Authorization to Bid, Phase 1 Local Water Main Reconstruction Project

I am requesting authorization to solicit contractor bids for the construction of water mains in two locations which are funded in the FY-2020 budget. This project will be funded through the Water Funds and consists of:

- Greisbach, Reneer & Arbor Water Main Replacement and Looping
- Miller Street, Water Main Upsizing

It is our desire to release this project for unit cost bids so that the work can be completed in the spring and early summer of 2020.

i would appreciate it if you would place this request on the February 18, 2020 City Council meeting agenda.
