RE: Authorization to Bid – Street Materials

I am requesting you to seek authorization from the City Council to solicit bids for the purchase of materials for the Streets Division for the calendar year. The material needs include aggregate materials, asphalt materials, liquid calcium chloride (brining), and liquid calcium chloride (pre-wetting).

Funds for these are available in the Streets Fund.

I would appreciate it if you would request the necessary authorization at the February 18, 2020 City Council meeting.

Thank you.
