RE: Authorization to Bid Mona Lake Weed Control Spraying

I am requesting you to seek authorization from the City Council to solicit bids for the spraying of weed control on Mona Lake. The City is working with Mona Lake Improvement Association (MLIA) on weed control as the State of Michigan is now requiring local municipalities to obtain the permit to spray the lakes instead of lake associations. Historically the MLIA arranged for the permit, hired the contractor, paid for the service and then requested partial reimbursement from the City. But going forward the City needs to obtain the permit and staff feels it can also hire the contractor. The City would then request partial reimbursement from the MLIA.
