Health Insurance

The City provides a paid group health insurance program including a prescription drug rider. Effective October 1, 2012, in accordance with Publicly Funded Health Insurance Contribution Act 152, employees shall be enrolled in the Blue Cross Blue Shield Simply Blue health plan with \$15/50 (generic/brand name) co-pay for prescription drugs. There shall be no reimbursement of co-pays.

Employees may elect to include their eligible family dependents under the group program. Child dependents are eligible for coverage until their 26th birthday at which time they may be eligible for coverage under COBRA. The cost of the group health insurance plan, including the cost of any eligible dependent coverage, shall be paid by the City. Effective June 30, 2008 there shall be deducted from each covered employee's paycheck each pay period the sum of \$20 for the group hospitalization. Employees are required to complete a Health and Wellness Assessment on an annual basis. If the assessment is not completed the cost will increase to \$40 per pay period.

Effective July 1, 2001, pursuant to the City's Insurance Opt Out Program, employees may elect to opt out of the City's group health insurance coverage and receive compensation equal to 50% of the monthly premium. This amount will vary depending on coverage (single, 2-person or family) to a maximum of \$600 per month, either as taxable income or to be deposited into the employee's deferred compensation account.

Retiree Health Insurance

Any employee working at least ten continuous years of 160 hours per month on a regular schedule throughout the year for the City of Norton Shores may be eligible for retiree health benefits. Eligibility will be based in part on obtaining, from the City of Norton Shores, the required age and years of continuous credited service under the MERS pension plan. (See schedule of minimum requirements in Section IV-Retirement.) For example: Age 55 with 15 years of continuous service or age 60 with 10 years of continuous service.

Such retirement benefits include hospitalization insurance coverage for the employee and eligible dependents, if elected. Retiree health insurance for MPTC employees hired prior to July 1, 2011 will consist of the same coverage as active full-time employees at the expense of the employer with the exception of any contributions and co-pays required of active full-time employees, until he/she reaches the age of 65. The retiree will then receive the Medicare Advantage program.

For MPTC employees hired after July 1, 2011, the City shall contribute \$15 for each year of service to health insurance coverage upon the employee's retirement under MERS to a maximum of \$600 toward the monthly premium. No health insurance coverage will be provided for the retiree's spouse and/or dependents.

Dental/Optical Insurance

The City provides a group dental insurance program. The premium for such group dental insurance coverage, including employees and eligible family dependents, if elected, shall be paid by the City.

The premium for such group optical insurance coverage, including eligible employees and eligible family dependents, if elected, shall be paid by the City. Effective July 1, 2003, the City will, upon documentation, reimburse MPTC employees and their eligible dependants up to \$75 every other year for eyeglass frames, lenses or contact lenses not reimbursed by their BC/BS vision coverage. Documentation must be presented to the Finance Director for processing.

Retiree Dental/Optical Insurance

Retirees may elect to continue the combined dental and optical insurance coverage upon retirement for the employee and eligible dependents, if elected. The premium for this coverage must be paid by the employee through auto-pay withdrawn from the employee's savings/checking account on the first day of each month. Coverage will be cancelled if payment is not received.

Long Term Disability Insurance

The City provides long-term disability insurance with the premium paid by the City. The employee's monthly benefit payable shall be 60% of salary or \$3,000, whichever is the lesser amount, minus any policy reductions. There shall be a 90-day waiting period prior to collection of benefits.
